ENTIRE COMPANY

**DIRECTOR'S NOTES**

I have enjoyed working with such a talented cast and crew, but especially my wonderful husband Kevin and son Jonmichael. We have a small company so most of the performers are playing multiple roles. It's not a mystery or a trick, just a necessity. Finally, I have always loved Charles Dickens and have the utmost respect for them. I have an unusual sense of humor. I love many traditional things, but I like to play with those ideas and take things out of that proverbial box, so to speak, because I can!
