DIRECTOR’S NOTES

I adapted the script from the original story by Hans Christian Anderson with as much authenticity as possible. I combined my original script, music (co-composed by Kim Nichols) and the haunting music of Randall Michael Tobin to breathtakingly tell the story of best friends separated by an evil Queen. For those of you who know the story well I used my artistic license and changed our heroines name slightly because it sounded better to me and was easier to use in the lyrics.

This Show has truly been a wonderful experience it has been amazing working with Cheti and Michelle Choreography, Direction and Music have come together in a seamless flow because of these two talented people. With the addition of student Choreography by Jorgie and Kaitlin and Kristi the best assistant choreographer I have ever worked with this Show as exploded to the next level of production. The cast and crew are equally talented and have brought this beautiful Fairy Tale to life.

Founded as a collaborative program between Kearsarge Conservatory of the Performing Arts, The Stockbridge Theatre and Perceptions Dance

The New Hampshire Youth Dance Festival is a platform designed to provide local dance studios, schools, secondary educational institutions, youth ensembles, and performing arts programs with a non-competitive, artistic performance opportunity for young dancers. The Festival provides the opportunity to receive valuable adjudication, share and build audiences, and for young artists to experience the art of dance in a whole new environment. The NHYDF is dedicated to creating a concert dance experience for New Hampshire's youth, while making it accessible to everyone.
